# NPC e-Productivity Advisory and Solution Services (NPC E-PASS)

---

## Advantages of E-PASS

---

- Time and cost-effective
- Free information/notification about events, programs organized by the Tokyo-based Asian Productivity Organization (APO) and NPC from time to time.
- Priority with regard to nominations from your organization in NPC programs.
- Free participation in important productivity and economic research surveys carried out by APO and NPC.
- All registered clients who utilize e-consultancy services of NPC more than five times will be provided **e-PASS Priority ORganisation Tag (e-PASSPORT)** enabling them to avail suitable discount as decided by NPC in future.
